Associação de Capoeira Mando de Palmares

To
Blac Foundation

Dear Sir or Madam

The Associação de Capoeira Mando de Palmares, Maputo-Mozambique come by this letter, thank the foundation to help one of their members: Egidio Simbine(chiquinho) for help by giving 100USD, that money will be applied to obtain a Brazilian visa and many other things related with that travel.

This travel is so important for us, because we can learn more about this Afro-Brazilian martial art, and as we a going in a international tournament we'll demonstrate them how that martial art is been doing in Mozambique and also show other kinds of cultural expressions. About it in September, we'll send a report to Blac Foundation about the trip and the event in Rio de Janeiro.

We would like to say thanks to that opportunity which the foundation gave us, to fulfill that dream and to give a blacfellow category to Chiquinho. We expect that he can honor that category and build a good relationship, with other members and blacfellows of the foundation by bring an African (particularly Mozambican perspective) to many issues of the foundation, helping it achieve their mission and goals, and most important building a good and great network.

The relation between Mando de Palmares and Blac Foundation is beginning, and we hope that it can grow bringing benefits to ever one of us, and maybe we can celebrate as good friends and family.

Your faithfully

Executive Director
Egidio Lourino Simbine
