NEIL SKINNER: A BIBLIOGRAPHY

This Bibliography contains a complete list, to the best of my knowledge, of Neil Skinner's published works. Information about any omissions would be appreciated. There is one area where the citations are admittedly somewhat inexact. This concerns the dates and editions of books published in Nigeria. Skinner's practical works prepared for Nigerian students and for non-Nigerians interested in learning Hausa were widely used and went through many editions and reprintings. In a few cases, I have noted the existence and dates of revised editions, but I have not delved into these matters systematically and thus these entries may be deficient in this regard.

A. Books and Monographs

1958 Hausa for Beginners. Zaria: NNPC.

1959 Hausa-English Pocket Dictionary. Zaria: Longmans, Green & Co. (2nd edition Ikeja: Longmans of Nigeria (1968)).
